Grey Blending

This bespoke colouring package is for anyone struggling with maintaining regrowth of grey/ white hair. If you're having to colour your roots with permanent colour every 2 - 4 weeks this service could be the one for you. The idea of this service is that it gives a lower maintenance colour using different techniques which helps your regrowth look better for longer and lower maintenance. This service is not for everyone but please speak to me about it and we can see if this could work for you.

Toning

Perfect for blending in roots and adding tone back to previously lightened blonde.

This can be used as a maintenance service for anyone who has previously had the full works or top up package.

Please note: this service is not suitable for grey coverage or lightening blonde.

Zone Toning £70-£80

Zone toning includes toner to blend in grown out roots. This will blend minimal greys but is not for full coverage.

Blonde Refresh Toning £50-£60

Blonde toning puts the tone back into previously lightened hair. This will not lighten your hair.

These prices do not include cutting or styling services. This will be added on top.

Classic Colouring

All packages include a cut and blow dry and use of premium products.

£5 will be taken off if you do not require a cut and an additional £5 if you do not require a toner.

Toners are not optional for the client, this will be decided by myself depending on what your hair needs.
